WHY ARE THERE ALL THESE RULES?

Our main concern is our student's safety and presenting them in the most professional environment possible. Every year, Turning Pointe Dance Center takes on the monumental task of coordinating hundreds of students, parents and guests. We do not take this responsibility lightly and expect everyone to cooperate with our directions so that your children, our "stars" will have an enjoyable and memorable performance. Thank you for your cooperation.

PICTURES & VIDEO BY PARENTS

During the **DRESS REHEARSAL ONLY**, while the house lights are on, parents may videotape and/or take pictures. Please understand that flash photography can be very disorienting and dangerous to your child when the theater house lights are off as well as distracting to the audience. No one will be permitted to take video or photographs during the recital.

The recital will be recorded professionally by Barry Schwartz Video Productions and Videos may be ordered prior to the recital as well as the day of the recital. Please refer to the order form on our website.

Gifts/Flowers/Balloons will also be available and must be ordered prior to the recital. Again please refer to the order form on our website.
