

MOM DANCE 2023

**For the FIRST TIME EVER, moms will
get to share the stage with their dancers!**

This is an opportunity for all dance moms to shine like their little stars. It's time to step out from behind the costume racks and have some fun! Moms must attend weekly rehearsals to learn a short routine taught by Jude. After a few weeks moms will come to rehearsal with their child, so that they can learn their part in the dance.
